

Type 1 error number and rate, by generated size

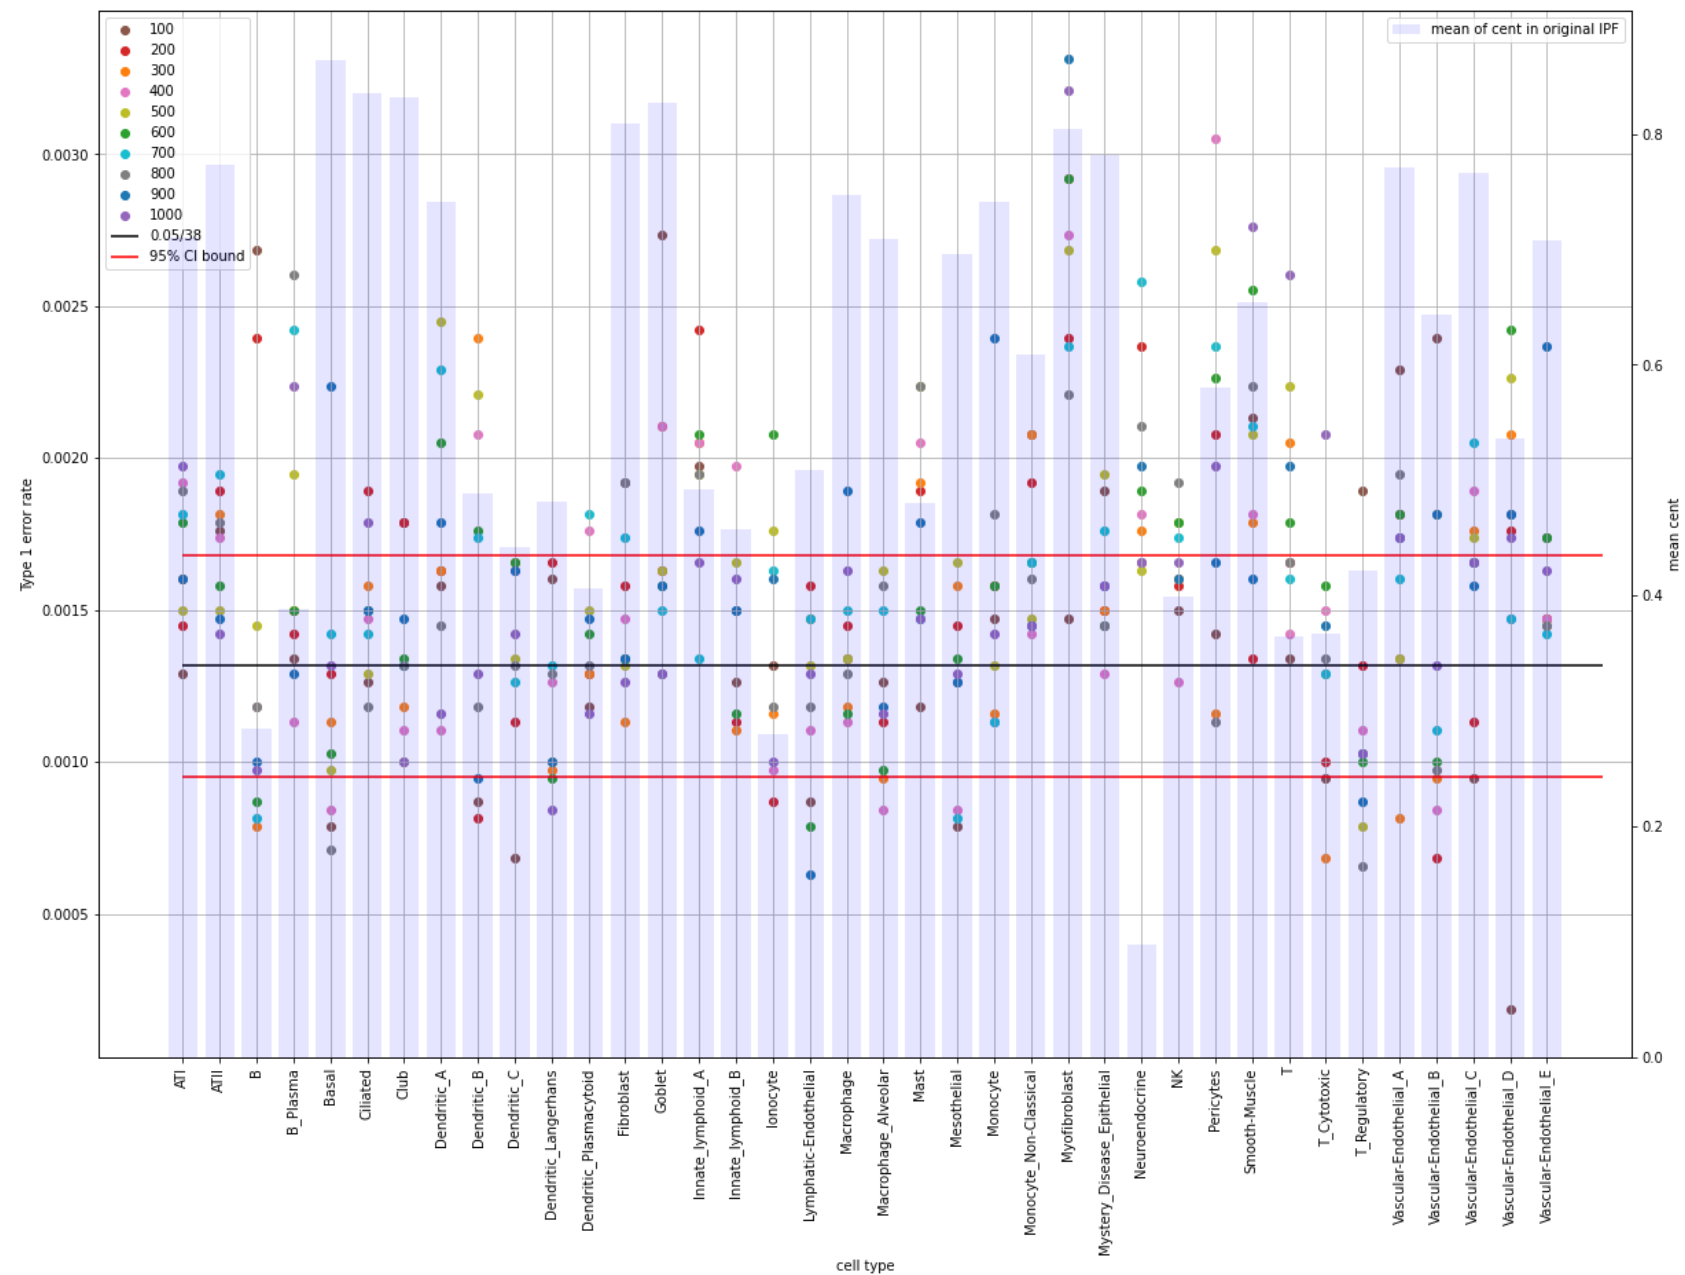

Type 1 error rate, by celltype

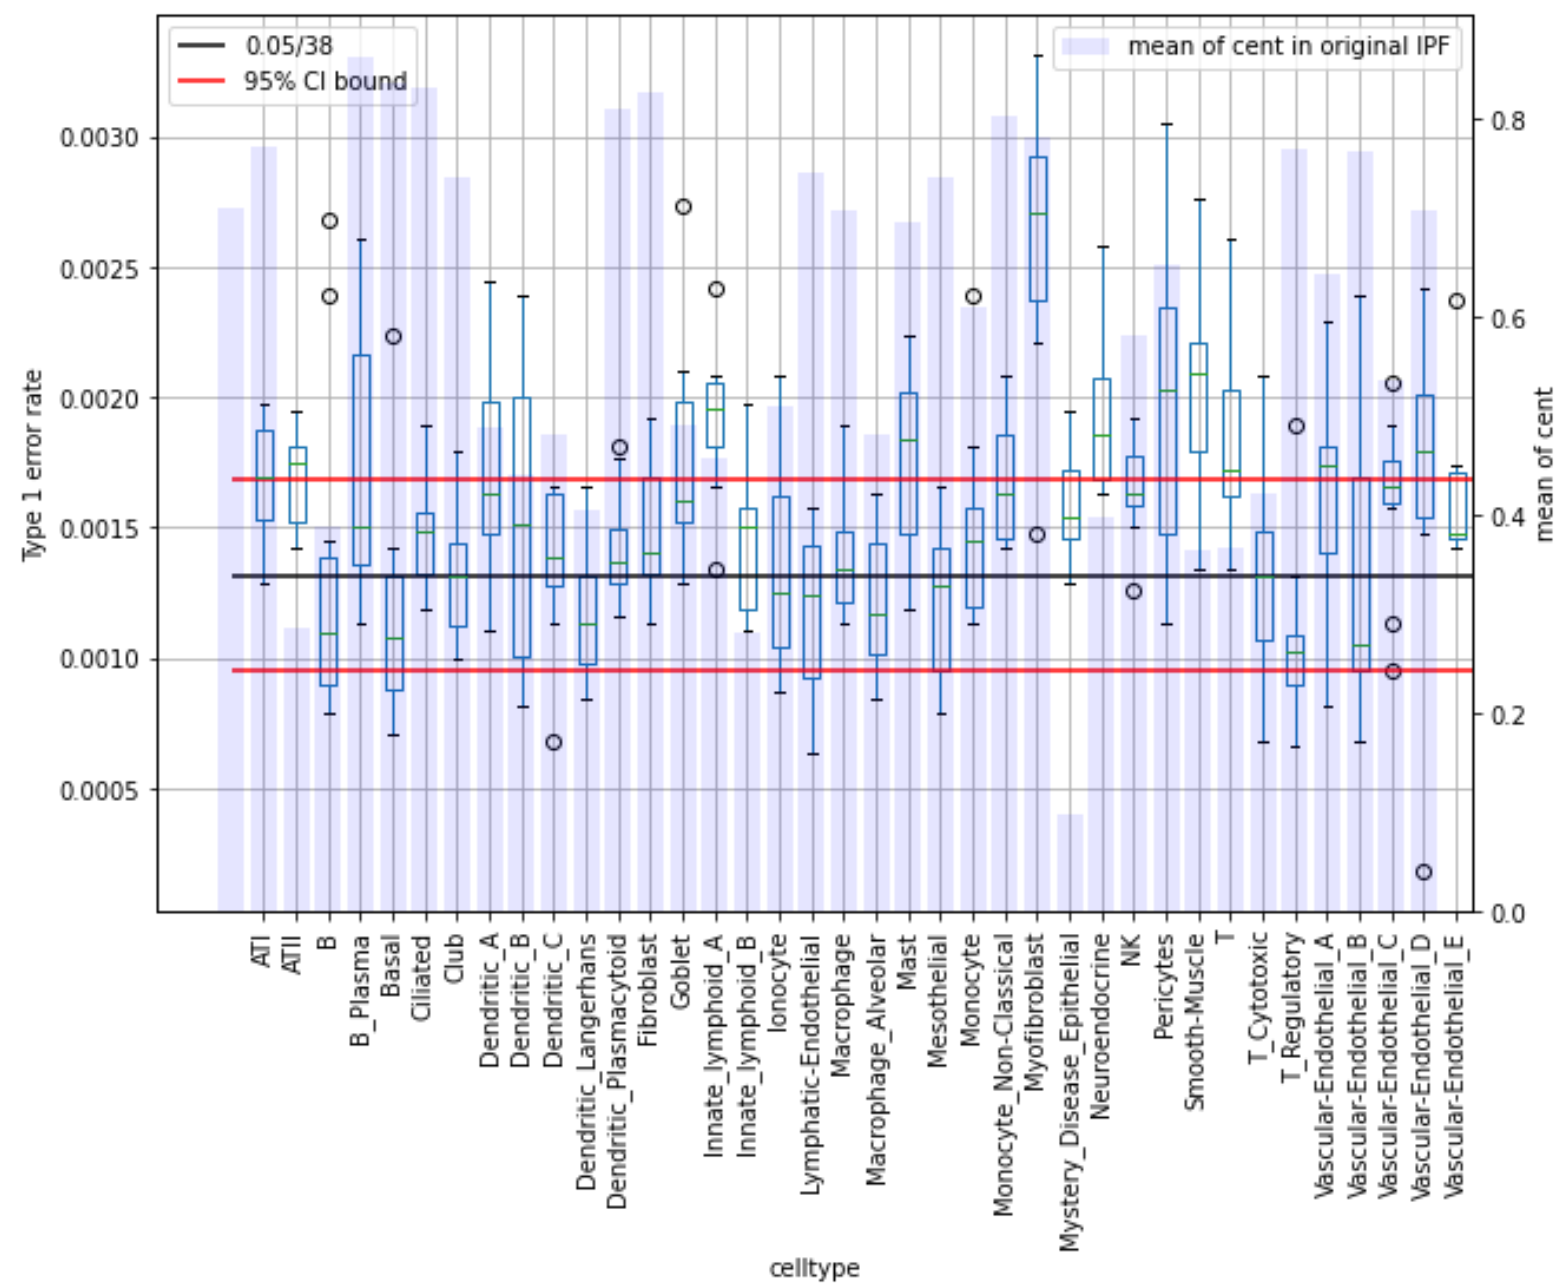

Type 1 error rate, by celltype

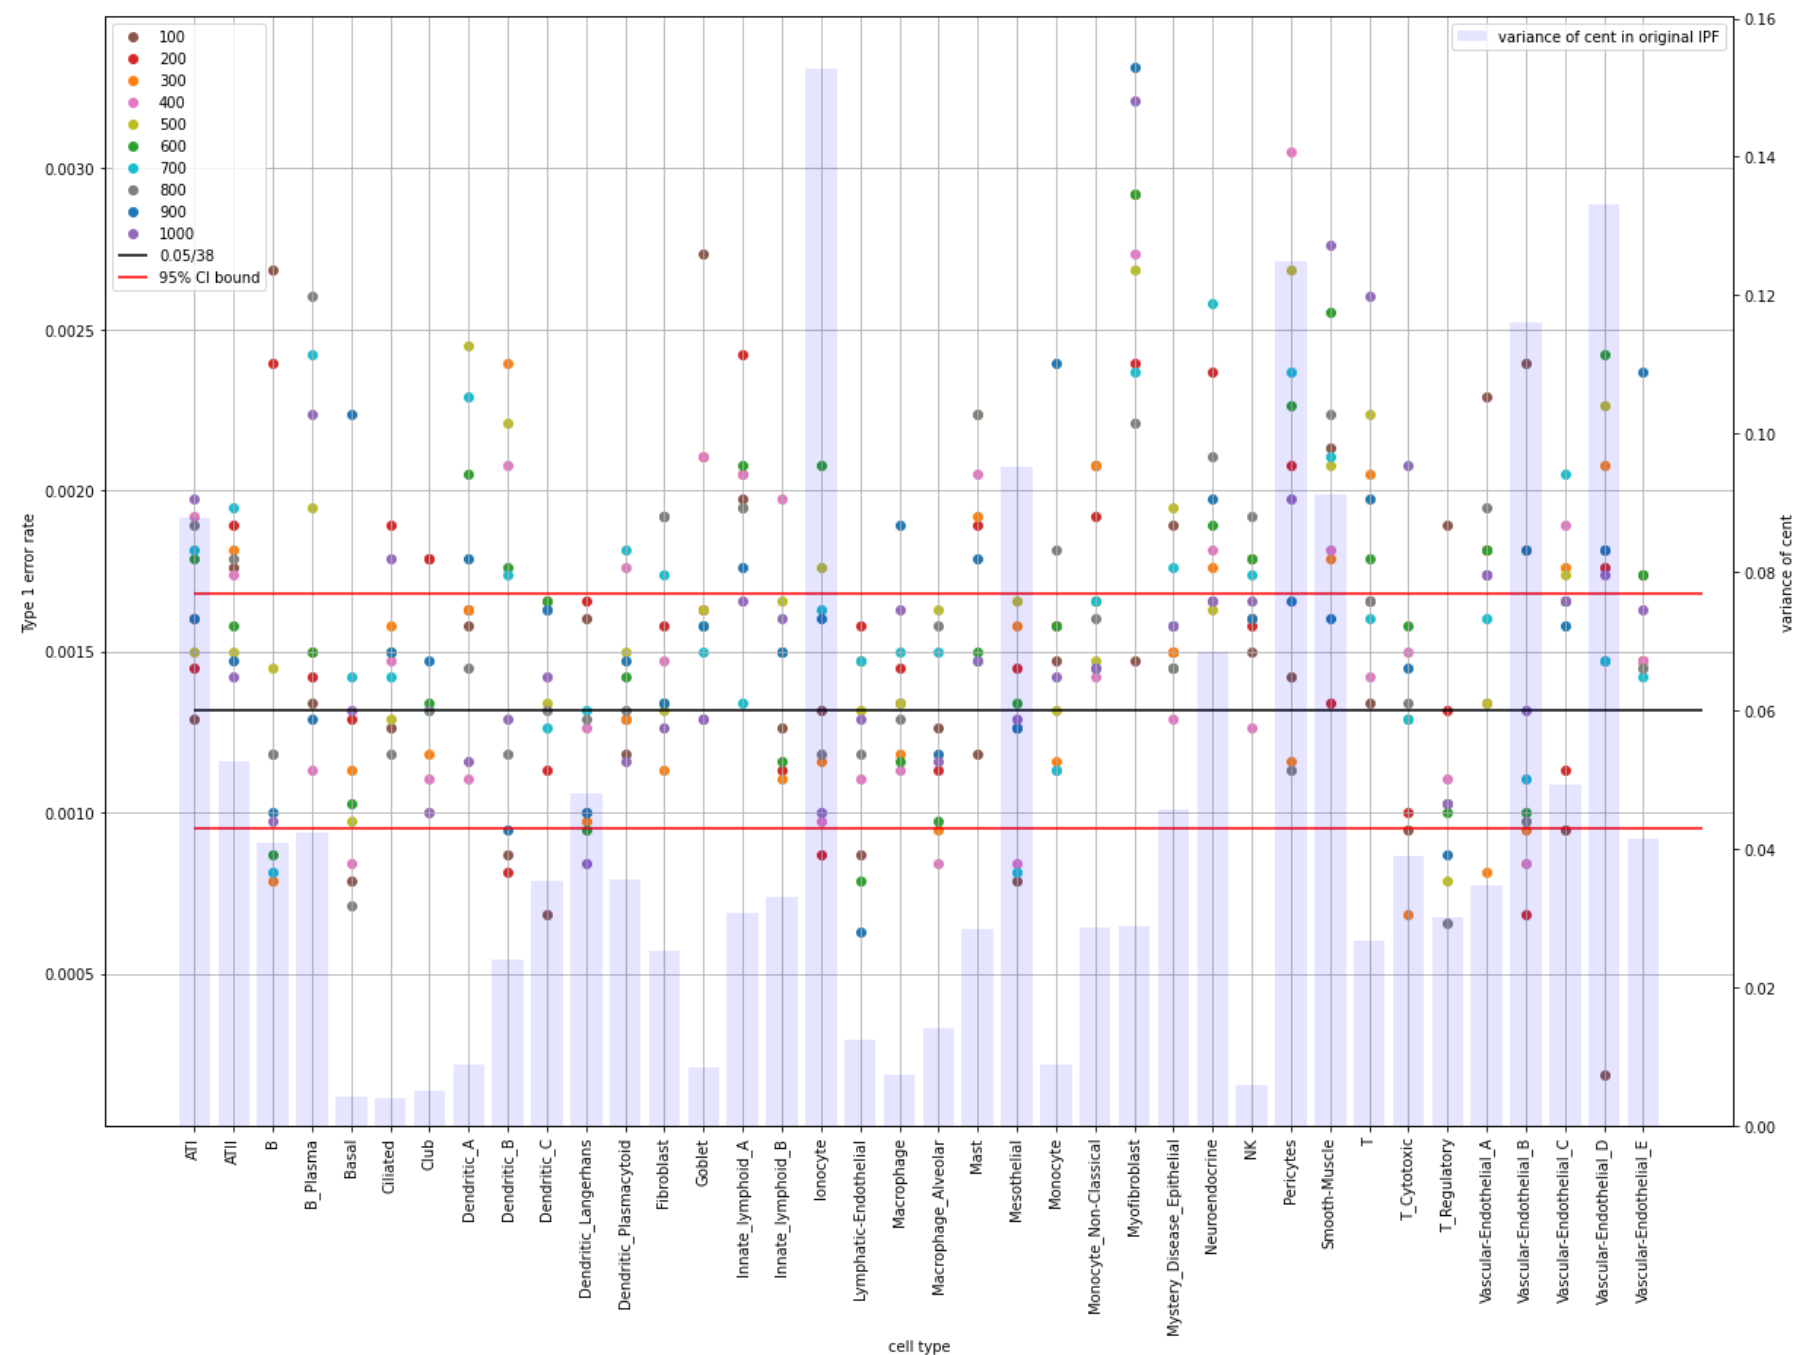

Type 1 error rate, by
celltype, compared with
mean centrality of
original IPF matrices

Type 1 error rate, by celltype, compared with mean centrality of original IPF matrices

Type 1 error rate, by
celltype, compared with
variance of centrality of
original IPF matrices

Type 1 error rate, by celltype, compared with variance of centrality of original IPF matrices
